Dear Ms Kagan

Voluntary Suspension

As discussed, Austindo Resources Corporation NL (“ARX” or “the Company”) requests voluntary suspension of trading in the shares and options of ARX.

In accordance with Listing Rule 17.2 the Company provides the following information:

- The Company requests a suspension as it is in ongoing discussions with the ANZ regarding the possible provision of financial support for the continuing development of the Cibaliung Gold Project. ARX believes it is appropriate to determine the Bank’s position prior to trade resuming in the Company’s shares.
- The Company expects that the suspension will last for up to one week, subject to receiving a response from ANZ Bank.
- The event that will end the suspension will be an announcement concerning the position of the ANZ Bank in respect to the Project.
- The Company is not aware of any reason why the trading in its shares should not be suspended.
