¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

2018 CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement is current as at 29 March 2019 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company will follow the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board and Executive Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Corporate Governance Plan is available on the Company's website at arcexploration.com.au.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

RECOMMENDATION 1.1

A listed entity should disclose:

- (a) the respective roles and responsibilities of its Board and management; and**
- (b) those matters expressly reserved to the Board and those delegated to management**

The Board of Directors has been charged by shareholders with overseeing the affairs of the Company to ensure that they are conducted appropriately and in the interests of all shareholders. The Board defines the strategic goals and objectives of the Group, as well as broad issues of policy and establishes an appropriate framework of Corporate Governance within which the Board members and management must operate. The Board reviews and monitors management and the Group's performance. The Board has also taken responsibility for establishing control and accountability systems/processes and for monitoring senior executive performance and implementation of strategy.

The Board is responsible for:

- reviewing and determining the Company's strategic direction and operational policies;
- review and approve business plans, budgets and forecasts and set goals;
- overseeing implementation of the Company's strategic objectives and its performance;
- appointment and remuneration of the Managing Director/Chief Executive Officer;
- review financial performance;
- approve acquisition and disposal of assets, products and technology;
- approve operating and capital budgets where appropriate;

- review risk management and compliance;
- oversee the integrity of the Company's control and accountability systems;
- oversee the Company's processes for making timely and balanced disclosure;
- reporting to shareholders;
- compliance with all applicable laws and regulations; and
- monitoring the effectiveness of the Company's governance practices.

The day to day running and administration of the Company is currently overseen by the Company Secretary in conjunction with the Board. Where appropriate, consultants may be engaged to undertake specific projects or assignments consistent with the objectives and policies as set down by the Board.

RECOMMENDATION 1.2

A listed entity should:

- undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a Director; and**
- provide security holders with all material information in its possession relevant to a decision whether or not to elect or re-elect a Director.**

The Company undertakes appropriate checks before it appoints a person, or puts forward to shareholders a new candidate for election, as a Director. These checks include references as to the person's character, experience and education. The Company does not propose to check criminal records or the bankruptcy history for potential new Board members however may consider such checks where necessary or appropriate in the future.

The Company will include all material information in its possession relevant to a decision whether or not to elect or re-elect a Director in the relevant Notice of Meeting. Information relating to each of the Directors is also provided on the Company's website.

RECOMMENDATION 1.3

A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.

The Company has not established written agreements with all non-executive directors which set out the terms of their appointment. Accordingly the appointment of Directors is governed by the relevant provisions of the Company's Constitution.
